Scope and Career Opportunities

- ✦ Naturopathy graduates can enter the field through private practice or work individually as holistic health practitioner
- ✦ The registered graduates are appointed as AMO'S / MO'S in government sectors by Medical services recruitment board by Govt. of T.N.
- ✦ Extensive array of scope as therapeutic yoga expert, consultants in wellness centres, nutrition centres, spa's, wellness consultants in cruises & rehab- centres in India & abroad.
- ✦ Mounting demand for Naturopaths in the field of Education, thus can work as faculties in Universities and Medical colleges.
- ✦ Broad scope for pursuing higher Education such as M.D, M.Sc., Ph.D., from various reputed institutions like NIMHANS, AIIMS, Etc.,
- ✦ Research positions such as research assistants, senior research officers etc., are an option for Naturopaths with great aptitude & interest in the field of research.

Nandha Naturopathy and Yoga Medical College & Hospital

Nandha Naturopathy and Yoga Medical College another flagship of Nandha Educational Institutions was established in the year 2018 to offer world- class education in Naturopathy and Yoga. The college is affiliated to The Tamil Nadu Dr.M.G.R Medical University, Chennai, and has an annual intake of 60 students offering Bachelor of Naturopathy and Yogic Sciences (BNYS). Together the College and Hospital are recognised for high-quality research, education and clinical care in Naturopathy & Yoga. We attempt to restore a complete physical, emotional & psychological wellness to our health seekers with all accentuating natural therapies in our hospital.
